## ISSUE NO 3 – 24.06.2024

### **Sponsorship 'Consultant'**

We are looking for someone who has expertise or experience in assisting to find sponsorship as we wish to explore new options that are available to us. We would welcome anybody who can help in anyway, who perhaps has contacts who may be interested or may be interested themselves. Anybody interested is asked to contact Rob Richtering, email [administration@yplncricket.co.uk](mailto:administration@yplncricket.co.uk)

### **Loan Players**

Clubs should remember that it is their responsibility to ensure that the opposition have agreed to a player loan agreement prior to it being submitted for approval. This also applies in cases where players have been loaned from other leagues. The League do not check whether approval has been granted because generally loans are last minute and to do so would take too much time and likely prevent a loan from taking place. Please don't get caught out with this.

### **Team Strengthening Using Loan Players**

Please be aware of the rules surrounding the loaning of players from higher divisions.

2.9 - Loan players will only be allowed to play for the club's lowest team in YPLN.

2.10 - Teams can only loan players if they are in Division One or below.

2.11 - Loan players will not be allowed to play in re-arranged Saturday League Matches.

2.12 - A club's lowest ranked or single team in Divisions 1 to 5 will only be able to loan players who are regular players in the same or a lower division.

### **Play-cricket Membership**

Please don't forget that we will not accept registrations for players who are not members of play-cricket. This practice has been in place since 11 June 2024 with most clubs carrying out the practice. Unfortunately, a small number must have missed the previous directive.

### **Overseas Professional Registration Deadline**

Those clubs who need to register a new overseas professional or in fact register one for the first time have until 30 June 2024 to register the player or advise the league of the player's name. This does not affect amateur players.

### **Yorkshire Play-off Final**

The Yorkshire play-offs take place between the winners of the four Yorkshire ECB Premier Leagues. This has been previously held at Headingley until last year when it was held at New Farnley because the county stadium was unavailable, which is the case this year. We are delighted that one of our clubs, Castleford, have been invited to stage this years final on Saturday 28<sup>th</sup> September.

The semi-finals will be held on Saturday 21 September between the champions of the leagues below.

Yorkshire Cricket Southern Premier League v Bradford Premier League

North Yorkshire South Durham v **Yorkshire Premier League North**

## Scorecard & Captains Report Issues

The number of issues relating to the submission of scorecards and captains' reports are increasing with the largest single issue being unregistered players following a last-minute call-up. Not far behind is the failure of some captains to submit ground marks. In recent weeks some clubs will have received documentation advising them of issues. We cannot continue to do this due to the amount of time involved. From this week onwards we have no choice but to impose the penalties set out in the guidelines.
