Club Umpires

Club umpires play a vital role in getting dozens of YPLN matches played every week. To reflect this, the league would like to improve its communication with club umpires so that we can provide them with advice, training, practical umpiring materials and most of all a sense of community. As such we have launched the YPLN Umpires Association (YPLNUA). Membership is free and it is open to anyone who umpires in any division of the YPLN, including players who occasionally have to umpire for their team. We would be grateful if you could let your club umpires know about this. The YPLNUA can be joined via this web page: <https://www.yplncricket.co.uk/umpires/>

Message From the Yorkshire Cricket Board

Over recent weeks we have seen an increase in disciplinary incidents within the recreational game in Yorkshire. We are also aware of wider community tensions which has led to a number of community programmes being cancelled this week too.

We would like to remind clubs, players, spectators and officials of their responsibilities both on and off the pitch and encourage everyone to familiarise themselves with the General Conduct Regulations and Recreational Conduct Regulations.

Please respect each other and play within the spirit of cricket.

Please also see a quote from Leshia Hawkins - Managing Director, Recreational Game, England and Wales Cricket Board;

“We value and celebrate our diverse backgrounds and each person's unique contributions. Whether playing, working, or supporting the sport, we must stand united in our commitment to inclusivity and respect for all. Together, we ensure cricket is a place where everyone is welcome and valued. Cricket is proud to be a game for everyone.”

Sent on behalf of Paul Cummins, Director of Recreational Cricket.

We are still looking for sponsors for :

Hunters Cup — T20 for the Championship teams.

Wilberfoss Cup—T20 for D3 teams

Midgeley Cup—T20 for D4 & D5 teams
