

YORK PREMIER KNOCKOUT The Hunters Premier Cup

The League's first cup competition was established with a 40 over format in 1975 and the first trophy was the Gilmour & Dean Trophy, donated by a firm of Glaswegian label printers. It was, initially, for all league clubs. A new trophy, The Costcutter Cup was donated by Colin Graves in 1991 when Costcutter Supermarkets took over the sponsorship of the League and Cup. At the same time, Mike Couldwell, a long serving Dinner Secretary donated a trophy bearing his name for the runners-up. In 1999 it was decided to limit entry to the 16 top clubs from the previous season and to introduce a junior competition for the remaining clubs. A further change of sponsor in 2001 saw the winner's trophy become known as the Hunters Premier Cup. Since 2023 it has been a T20 competition for teams in the Championship.
