

The Edward Readman Memorial Trophy

Following the limiting of the Senior Knockout to the top 16 teams in 1999, the family of the late Edward Readman of Bubwith donated a trophy in his memory to be competed for by the remaining clubs in the league. It was initially a 40 over competition but was re-launched in 2009 as a T20 competition with the semi-finals and final taking place on the same day. The Readman family give memento each year to the player adjudicated as the Man of the Match. Since 2023 it has been a T20 competition for teams in the 1st Division.

	Winner	Runners-up	Man of the Match
