

The Dave Conner Memorial Trophy

The trophy was presented by the family of the late North Dalton stalwart Dave Conner and was first contested in 2012. It is a T20 competition and was initially for clubs in the Eastern Conference (former ER Independent League clubs) section of the league. Latterly, entry has been restricted to teams in the bottom two divisions of the league.

Since 2023 it has been a T20 competition for teams in the 2nd Division.
