

Submission of reports by Captains for Y&DSCL Divisions (Updated March 2020)

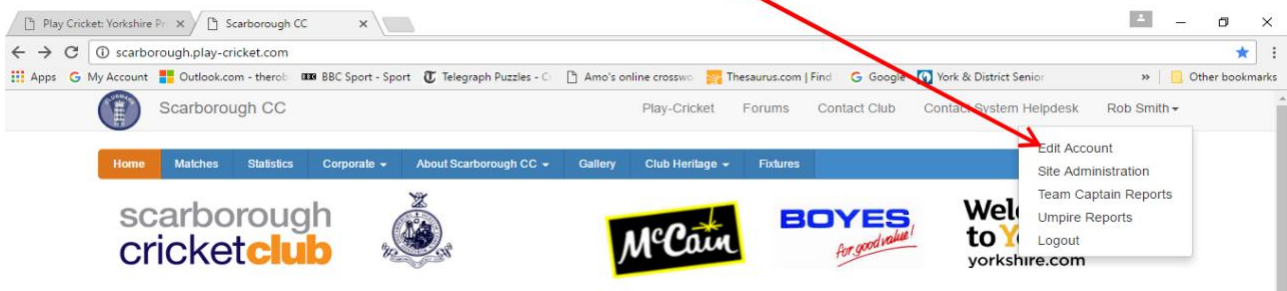

Team Captains (or their representative) are required to submit reports at the end of each Y&DSCL Division match where play has been possible.

In matches covered by the League's Neutral Umpires' Panel, both captains need to submit a report on both umpires and the away captain has to submit a Ground Report.

In the Second Divisions and below, the home captain does not have to submit a report and the away captain only needs to submit a Ground Report.

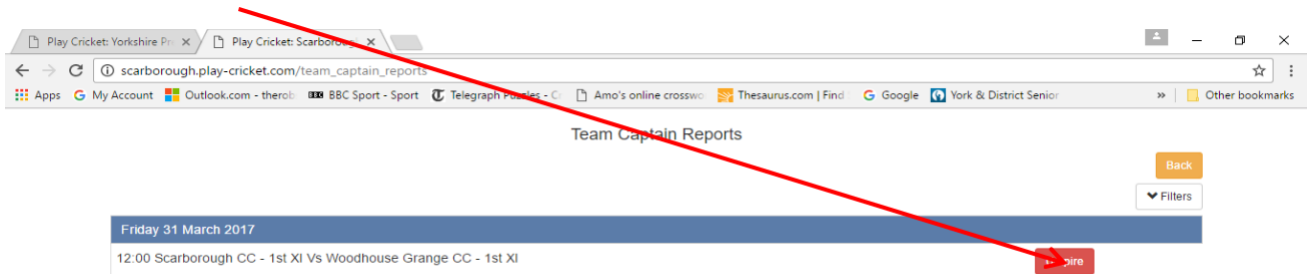

Captains need to be registered on Play Cricket to be able to find the reports that they need to complete.

When you log in to your club's website your name should appear at the top right, and clicking on the arrow next to your name will give you a drop down box as shown

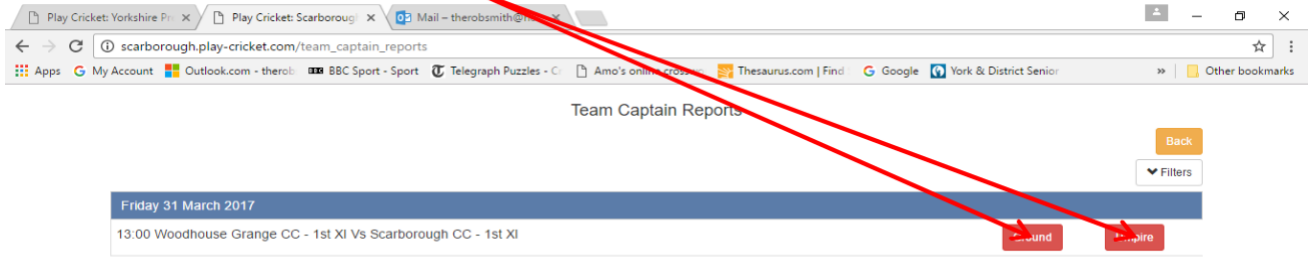

If you click on **Team Captains Reports** it will take you to a page which looks like one of the following, depending whether you are a Home captain or an Away captain and which Division you are in:

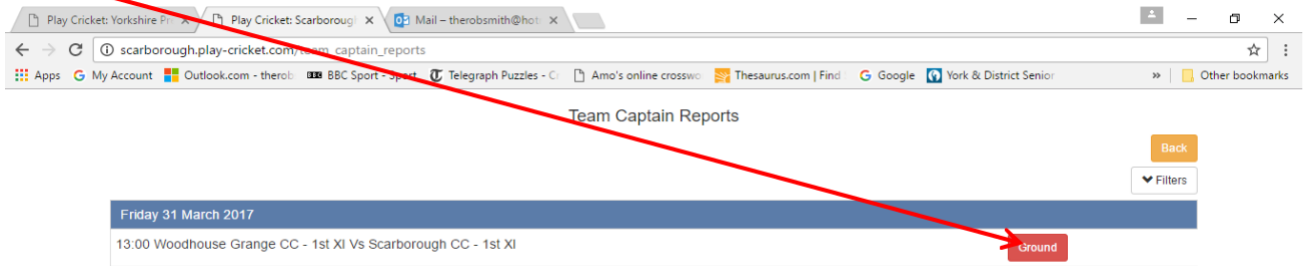

If you are a Home captain in the Premier or a First Division, you need to submit a report on the umpires by clicking on this icon

If you are an Away captain in the Premier or First Divisions, you need to submit a report on the umpires and the ground by clicking on these icons (you will need to do the separately)

If you are an Away captain in any other Division you need to submit a report on the ground by clicking on this icon

The report on the umpires will look like the screen shot below and is fairly self-explanatory. You will need to write the umpires names in the appropriate boxes and then choose a mark from each drop down box using the guidance given. Remember to press **Save** when you have finished.

A screenshot of a web browser showing the umpire report form. The page title is 'Friday 31 March 2017' and the URL is 'scarborough.play-cricket.com/team_captain_reports/32451/edit'. The form is for 'Umpire 1' and 'Umpire 2'. For each umpire, there is a text box for the name (e.g., 'Smith R'), a dropdown menu for 'Attitude' (marks 1-5), a dropdown menu for 'Control' (marks 1-5), and a dropdown menu for 'Positioning' (marks 1-5). There are also instructions for each section. At the bottom right, there is a 'Save' button. The Windows taskbar is visible at the bottom of the screen.

The report on the ground will look like the screen shot below and is, again, fairly self-explanatory You will need to write the name of the Club in the appropriate box and then choose a mark from each drop down box using the guidance given. Again, remember to press **Save** when you have finished.
