This is the way that we as a league contact clubs, using the email option on play-cricket. If clubs keep this section up to date the contact details will always be correct! Please note that we cannot change these details for you as we have no access to this area.

## WHAT DETAILS ?

We need the name, phone number and email address for all of the officials named in section No 1. Play-cricket has instructions how to do this in its help guide and you can always contact the YPLN Support Centre [support@yplncricket.co.uk](mailto:support@yplncricket.co.uk)

## LEAGUE RULE

This is covered under Rule M 3.7. We will help clubs to as much as we can to get play-cricket up to date, but ultimately it is a club's responsibility to be up to date.
